

# Congratulations Lakeside!

## 2012 National Blue Ribbon Schools Nominee

### We still need your support.

On January 10th, Lakeside Principal Gina Cuneo was quoted in the Orange County Register as saying, "At a time when resources for schools are decreasing and demand continues to grow, our staff continues to put out a quality program for our students." But with donations down 30% this year, in large part due to the new law which makes previously required fees now "recommended donations", our funds are running dangerously low. Your membership in PTA will help us to provide our school with much needed financial support. Specifically, your membership dues will ensure that Lakeside continues to have a full-time health clerk and media center assistant, an annual student education assembly, technology upgrades and equipment, classroom supplies, and more. Please, join PTA today.

Note: If you joined PTA in the fall, your membership is still valid through 10/30/12. If you joined, but your spouse didn't, please consider having him/her join as well. Students and grandparents too. You're never too young or too old to join PTA!
